

Congratulations

You have received the following award!

Liam Ferrante

Appreciation Award (25 points)
28-Sep-2023

Nominated by : Paul Reynolds

Liam approached Security with a concern regarding permissions to certain folders within the DESE and Teamwork Cloud server. Liam self-reported that he and his colleagues had been granted administrator access to an area of the server that gave them access to a number of restricted programs. As a junior BDA employee, Liam should be commended for his courage and integrity to speak-up, and for demonstrating a sound understanding of the need-to-know principle.
