Liam Ferrante

has volunteered in the role of

Peer Learning Leader

as part of the STIMulate Program
in Semester 1 and 2, 2020

Professor Robina Xavier
Deputy Vice-Chancellor and Vice-President (Education)

QUT

Queensland University of Technology is committed to developing graduates who are able to contribute effectively as citizens, leaders in the wider community, and competent professionals within their chosen profession.

By contributing to the QUT community as a

Peer Learning Leader

within the

STIMulate Program

for

16 hours in Semester 1 and 2, 2020

Liam Ferrante

has demonstrated the following QUT Graduate Capabilities:

- Authentic and respectful relationships that model appropriate social and ethical behaviour through effective interpersonal communication.

- Effective collaboration as a productive and influential team member in activities that support students in their learning.

- Efficient management of time to prioritise and perform program activities that respond and adapt to varied student needs.

- Deep knowledge of and respect for diverse cultural perspectives that promote a sense of belonging and community for a broad cohort of students.

- Skilled facilitation of student learning using appropriate strategies based on a sound knowledge and understanding of a discipline area.
